1. Aims

Our school aims to:

- Have robust, clear processes in place for charging and remissions
- Clearly set out the types of activity that can be charged for and when charges will and will not be made
- Offer a range of activities and visits whilst minimising the financial barriers that may prevent some pupils from taking full advantage of these opportunities

2. Legislation and guidance

This policy is based on advice from the Department for Education (DfE) on charging for school activities and the Education Act 1996, sections 449 to 462 of which set out the law on charging for school activities in England. Academies are required to comply with this Act through their funding agreements.

This policy complies with our funding agreement and articles of association.

3. Definitions

- **Charge**: a fee payable for specifically defined activities
- **Remission**: the cancellation of a charge which would normally be payable

4. Roles and responsibilities

4.1 The Local Academy Committee

The Local Academy Committee has overall responsibility for approving the charging and remissions policy, but can delegate this to a sub-committee, an individual governor or the headteacher.

The Local Academy Committee also has overall responsibility for monitoring the implementation of this policy.

Responsibility for reviewing the charging and remissions policy has been delegated to the headteacher.

4.2 Headteacher

The headteacher is responsible for ensuring staff are familiar with the charging and remissions policy, and that it is being applied consistently.

4.3 Staff

Staff are responsible for:

- Implementing the charging and remissions policy consistently
- Notifying the headteacher of any specific circumstances that they are unsure about or where they are not certain if the policy applies

The school will provide staff with appropriate training in relation to this policy and its implementation.

4.4 Parents/carers

Parents/carers are expected to notify staff or the headteacher of any concerns or queries regarding the charging and remissions policy.

5. Where charges cannot be made

Below we set out what we **cannot** charge for:

5.1 Education

- Admission applications
- Education provided during school hours (including the supply of any materials, books, instruments or other equipment)
- Education provided outside school hours if it is part of:
    - The National Curriculum
    - A syllabus for a prescribed public examination that the pupil is being prepared for at the school
    - Religious education
- Instrumental or vocal tuition, for pupils learning individually or in groups, unless the tuition is provided at the request of the pupil's parent/carer

- Entry for a prescribed public examination if the pupil has been prepared for it at the school
- Examination re-sit(s) if the pupil is being prepared for the re-sit(s) at the school

5.2 Transport

- Transporting registered pupils to or from the school premises, where the local authority (LA) has a statutory obligation to provide transport
- Transporting registered pupils to other premises where the Local Academy Committee or LA has arranged for pupils to be educated
- Transport that enables a pupil to meet an examination requirement when they have been prepared for that examination at the school
- Transport provided in connection with an educational visit

5.3 Residential visits

- Education provided on any visit that takes place during school hours
- Education provided on any visit that takes place outside school hours if it is part of:
  - The National Curriculum
  - A syllabus for a prescribed public examination that the pupil is being prepared for at the school
  - Religious education
- Supply teachers, covering for teachers who are absent from school, accompanying pupils on a residential visit

6. Where charges can be made

Below we set out what we **can** charge for:

6.1 Education

- Any materials, books, instruments or equipment, where the child's parent/carer wishes the child to own them. This includes materials or ingredients for DT and Food lessons where the child wishes to take the finished product home.
- Optional extras (see section 6.2)
- Music and vocal tuition, in limited circumstances (see section 6.3)
- Community facilities
- Examination re-sit(s) if the pupil is being prepared for the re-sit(s) at the school **and** the pupil fails, without good reason, to meet any examination requirement for a syllabus

6.2 Optional extras

We are able to charge for activities known as 'optional extras'. In these cases, schools can charge for providing materials, books, instruments or equipment. The following are optional extras:

- Education provided outside of school time that is not part of:
  - The National Curriculum
  - A syllabus for a prescribed public examination that the pupil is being prepared for at the school
  - Religious education
- Examination entry fee(s) if the registered pupil has not been prepared for the examination(s) at the school
- Transport (other than transport that is required to take the pupil to school or to other premises where the LA or Local Academy Committee has arranged for the pupil to be provided with education)
- Board and lodging for a pupil on a residential visit
- Extended day services offered to pupils (such as breakfast clubs, after-school clubs, tea and supervised homework sessions)

When calculating the cost of optional extras, an amount may be included in relation to:

- Any materials, books, instruments or equipment provided in connection with the optional extra
- The cost of buildings and accommodation
- Non-teaching staff
- Teaching staff engaged under contracts for services purely to provide an optional extra (including supply teachers engaged specifically to provide the optional extra)
- The cost, or an appropriate proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, or vocal tuition, where the tuition is an optional extra

Any charge made in respect of individual pupils will not be greater than the actual cost of providing the optional extra activity, divided equally by the number of pupils participating.

Any charge will not include an element of subsidy for any other pupils who wish to take part in the activity but whose parents/carers are unwilling or unable to pay the full charge.

In cases where a small proportion of the activity takes place during school hours, the charge cannot include the cost of alternative provision for those pupils who do not wish to participate.

Parental agreement is necessary for the provision of an optional extra that is to be charged for.

6.3 Music tuition

Schools can charge for vocal or instrumental tuition provided either individually or to groups of pupils, provided that the tuition is provided at the request of the pupil's parent/carer.

Charges may not exceed the cost of the provision, including the cost of the staff giving the tuition.

Charges cannot be made:

- If the teaching is an essential part of the National Curriculum
- For a pupil who is looked after by a local authority

7. Voluntary contributions

As an exception to the requirements set out in section 5 of this policy, the school is able to ask for voluntary contributions from parents/carers to fund activities that would not otherwise be possible.

There is no obligation for parents/carers to make any contribution, and no child will be excluded from an activity if their parents/carers are unwilling or unable to pay.

If the school is unable to raise enough funds for an activity or visit then it will be cancelled.

8. Activities we charge for

The school will charge or seek reimbursement for the following activities:

- School trips that are optional, outside school hours (e.g. during school holidays) and that are not required in order for a child to access the National Curriculum – these are calculated to ensure trip costs are kept to a minimum
- Peripatetic music tuition – charges are made in line with section 6.3 of this policy
- Exams – if a pupil fails without good reason to complete the requirements of any public examination (e.g. unauthorised absence resulting in a missed exam) the school will seek reimbursement for the full price of entry for that unit.
- Behaviour – the school may seek reimbursement from parents/carers for the cost of repairing or replacing property that has been maliciously or intentionally damaged by their child.
- Replacement planners and books if pupils have lost or intentionally damaged these. Charges will not exceed replacement cost.
- Library books – if a pupil fails to return/renew a library book by the 3rd reminder, they will be charged for a replacement as the book will be deemed to be lost or stolen. Charges will not exceed replacement cost.
- School performances and events – charges may be made for admission to school performances and events.

For regular activities, the charges for each activity will be determined by the Local Academy Committee and reviewed in the second half of the Summer Term each year. Parents/carers will be informed of the charges for the coming year in September each year.

9. Remissions

In some circumstances, the school may decide not to charge for items or activities set out in sections 6 and 8 of this policy. This will be at the discretion of the headteacher and will depend on the activity in question.

9.1 Remissions for residential visits

Qualifying pupils will not be charged for board and lodging on residential visits where the activity forms part of the National Curriculum. These are pupils whose parents/carers can prove they are in receipt of any of the following benefits (or such criteria as may be amended by the Department for Education from time to time):

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit – provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190
- Working Tax Credit run-on – paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit – if you apply on or after 1 April 2018, your household income must be less than £7,400 a year (after tax and not including any benefits you get)

With all charges and voluntary contributions, we work with families to provide support where necessary and reasonable. We aim to ensure no child misses out on a rich educational experience.

Parents / carers should contact the school to make enquiries about financial support that may be available.

10. Monitoring arrangements

The Headteacher will review the policy annually and will recommend amendments to the Local Academy Committee for approval.
