Health and Safety Commitments

The Enrich-Learning Trust Board has adopted the health and safety management system provided by Norfolk County Council and therefore expects all schools within the trust to follow the Enrich-Learning Trust policy, our commitments, codes and guidance provided.

Dereham Neatherd High School

Part 1: Local Academy Committee - Our Commitments

Effective health, safety and well-being management is an integral feature of our school's overall education performance. Our main objective is to provide and maintain a safe and healthy environment for our staff and pupils and others with whom we work, in a balanced and sensible way, that supports our wider learning objectives.

We will achieve this by:

- Developing and maintaining a positive health and safety culture with an emphasis on continually improving our performance, considering human and cultural factors
- Ensuring that health and safety management is an integral part of decision making and organisational processes
- Adopting a sensible and proportionate approach to managing risks, with well-informed decision-making processes for higher risk activities and ensuring a disproportionate amount of time is not spent on trivial or everyday risks
- Encouraging and supporting the personal well-being of staff and pupils through our practices and approach to school life
- Providing a safe and healthy working environment for our staff, pupils and others, that also supports personal well-being.
- Ensuring that effective arrangements are in place to support pupils and others with medical conditions, including allergy safety arrangements, staff training, emergency preparedness and continual improvement through incident learning.
- Ensuring safe working methods are in place and providing safe equipment.
- Communicating and consulting with our staff and their trade union representatives
- Complying with statutory requirements and where possible best practice

© 2026 Norfolk County Council

- Investigating and learning the lessons from accidents and work-related ill health incidents
- Providing effective information, instruction and training to enable our staff to be competent in their roles
- Ensuring adequate resources are available to fulfil our health, safety and well-being responsibilities and objectives

We recognise that overall responsibility for health and safety lies with all levels of management having direct responsibility for activities and staff under their control. For these commitments to be effective, employees throughout the school must play their part in creating and sustaining a positive health and safety culture and must take responsibility for their own well-being with the encouragement and support of their managers.

Health and Safety – our arrangements

Part 2: Organisation and responsibilities, and arrangements

Introduction

The Enrich Learning Trust Board has adopted the health and safety management system provided by Norfolk County Council and therefore expects all schools within the trust to follow the Enrich Learning Trust policy, our commitments, codes and guidance provided.

The following responsibilities have been assigned at our school.

The Local Academy Committee

Responsible for ensuring that suitable local organisational arrangements are in place for the management and control of health and safety within the school. We will ensure that:

- A written commitments statement is created and communicated which promotes a positive attitude towards health and safety in staff and pupils, and those we work with
- Local responsibilities for health, safety and welfare are allocated to specific people, and those people are informed of these responsibilities
- A lead governor for health and safety is nominated
- Ensure that allergy safety arrangements are in place, including adoption or local adaptation of the NCC Allergy Safety Policy, appointment of a named governor for allergy safety oversight, and annual assurance that allergy safety arrangements, staff training, Individual Healthcare Plans, Allergy Registers and emergency adrenaline auto-injector arrangements are being monitored.
- People have sufficient experience, knowledge, resource and training to perform the tasks required of them
- Clear procedures are utilised which assess the risk from hazards, identify controls and produce safe systems of work that are communicated clearly to everyone who needs to follow them
- Sufficient resources are allocated to maintain a safe and healthy work environment, and operate safe systems of work
- Health and safety performance is monitored and reported, and targets for improvement are set
- The school's health and safety arrangements are reviewed annually
- School staff are consulted on health and safety matters through arrangements agreed with the represented unions or other employee representatives
- School premises are maintained to ensure that associated safety risks are sufficiently controlled

© 2026 Norfolk County Council

- Our local management of health, safety and well-being considers the needs of anyone with a protected characteristic under the Equalities Act

Lead Governor

The Lead Governor for health and safety has the following responsibilities:

- To be fully and visibly committed to the Our Commitments statement document - for health and safety
- To scrutinise and review local health, safety and well-being performance
- To provide support and challenge to the Headteacher and the Local Academy Committee/ Trust Board in fulfilling their respective local health and safety responsibilities
- Where the Lead Governor for Health and Safety also holds allergy safety oversight, they will seek annual assurance that:
    - the school has adopted or reviewed its Allergy Safety Policy;
    - a named senior allergy lead and AAI coordinators are in place;
    - all relevant staff have completed allergy awareness and AAI training;
    - Individual Healthcare Plans and the Allergy Register are reviewed;
    - spare adrenaline auto-injectors are available, accessible and checked;
    - allergy-related incidents and near misses are reviewed and lessons learned.
- To ensure that suitable risk assessments of the premises and working practices are carried out, documented and reviewed

The Headteacher/Executive Headteacher (or equivalent)

Responsible for all staff and activities under their control and will ensure that the requirements of relevant safety policies and procedures are implemented and complied with.

They will:

Be fully committed to the Local Academy Committee/Trust Board Our Commitments, ensuring that a positive health and safety culture is demonstrated and promoted through their leadership.

Ensure that the school has a named senior leader responsible for allergy safety, referred to as the Allergy Lead, and that this role is recorded within this document.

Ensure that the school's Allergy Safety Policy is implemented, that allergy risks are considered within local risk assessment arrangements, and that appropriate resources are available to support emergency preparedness.

Ensure that appropriate risk assessments are undertaken by competent persons and that suitable control measures are taken on a risk basis to manage the health, safety and well-being risks to staff and any other people who may be affected by the school's activities.

- Monitor and review health and safety performance through:
- Undertaking health and safety inspections of work areas/practices in line with relevant policy / Safe systems of work

© 2026 Norfolk County Council

- Setting local health and safety targets and objectives through appraisals and other supervisory reviews
- Reviewing and learning from incidents.
- Monitoring local contracted work under their control for compliance
- Ensure that the management of health, safety and well-being in the areas under their control considers the needs of anyone with a protected characteristic under the Equalities Act
- Develop adequate local safe systems of work and procedures and ensure that they are implemented and monitored
- Ensure prompt action is taken to resolve any situations that may adversely affect the health, safety and well-being of staff or other people
- Ensure that they undertake all relevant training and staff are given adequate information, instruction, training, resource, and supervision to carry out their duties, paying particular attention to new/inexperienced staff and trainees
- Ensure that all plant and work equipment provided is appropriately selected through a risk assessment process, suitable, properly maintained and subject to all necessary tests, examinations and maintenance.
- Ensure that accidents and incidents (including near misses and instances of abusive and violent behaviour) are reported and investigated, and the findings acted upon without delay
- Ensure information that may assist nominated safety representatives is provided to them
- When commissioning work through partners and contractors, ensure that they are selected and managed in line with statutory requirements and the relevant procurement and contract management processes
- Ensure that they seek timely assistance and advice where expert help is required from the NCC Health, Safety and Well-being team
- Report to the Governing Body at least annually on the school's health, safety and well-being performance

Health and Safety Coordinator/Premises Manager

The Health and Safety Coordinator (or equivalent) has the following responsibilities:

- To coordinate and manage the local risk assessment process for the school
- To coordinate local performance monitoring processes
- To make provision for the inspection and maintenance of local work equipment
- To manage / assist in the keeping of records of all health and safety activities including management of the building fabric and building services in liaison with the school's/the trust's appointed general property maintenance contractor and other contractors.
- To advise the Headteacher of situations or activities which are potentially hazardous to the health, safety and well-being of staff, pupils and visitors.
- To ensure that staff are adequately instructed in health, safety and well-being matters about their specific workplace and the school generally.

© 2026 Norfolk County Council

Teaching and support staff holding positions of special responsibility

This includes Deputy/Assistant Headteachers, Heads of Department, Business Managers, Caretakers/Premises Managers

They have the following responsibilities:

- Apply the school's Health and Safety - Our Commitments statement, and the relevant health, safety and well-being Codes of Practice / guidance to their own department or area of work and be directly responsible to the Headteacher for the application of the health and safety procedures and arrangements
- Carry out regular health, safety and well-being risk assessments / review of the activities for which they are responsible
- Ensure that relevant staff are familiar with the health, safety and well-being requirements for their area of work
- Resolve health, safety and well-being issues that staff refer to them, or refer to the Headteacher any matters for which they cannot achieve a satisfactory solution with the resources available
- Carry out regular inspections of their areas of responsibility to ensure that equipment, and activities are safe and record these inspections
- Ensure the provision of sufficient information, instruction, training, resource and supervision to enable other staff and pupils to avoid hazards and contribute positively to their own health, safety and well-being
- Investigate any incidents that occur within their area of responsibility

Teachers

Teachers are expected to:

- Exercise safe and effective supervision of their pupils, to know the related procedures, e.g., fire, first aid, control measures within lessons, and other emergencies and to implement them
- Follow the health, safety and well-being measures in their own teaching areas as described in the relevant procedures
- Give clear oral and written instructions and warnings to pupils when necessary
- Follow safe working procedures
- Require the use of appropriate protective clothing and machinery guards etc., where necessary
- Make recommendations to their Headteacher or manager regarding equipment needs and improvements to the site, plant, tools, equipment or machinery
- Integrate all relevant aspects of health, safety and well-being into the teaching process
- Report all accidents, defects, dangerous occurrences and near misses to their manager

© 2026 Norfolk County Council

Employee Consultation/Safety Representatives

The Local Academy Committee/Trust Board believe that consulting employees on health, safety and well-being matters is important in creating and maintaining a safe and healthy working environment.

Safety representatives of trade unions recognised by the Trust will be consulted on all matters of health, safety and well-being that may affect staff and on the provision of related information and training. Non-union staff will also be consulted directly or via their nominated Safety Representatives.

Before making any decisions, which could have health, safety and well-being consequences for staff, the Local Academy Committee will inform safety representatives about the proposed course of action and give them an opportunity to express their views and support the development.

All Staff

All staff have individual responsibility to take reasonable care for the health, safety and well-being of themselves and for others who may be affected by their acts or omissions. They must:

- Always comply with the school's/trust's health and safety - Our Commitments statement, and related procedures
- Co-operate with managers in complying with relevant health, safety and well-being systems of work and procedures
- Use all work equipment and substances in accordance with appropriate instruction, training and information received
- Wear, use, store, maintain and replace personal protective equipment as appropriate
- Not intentionally misuse anything provided in the interests of health, safety and welfare
- Take part in and contribute to health, safety and well-being inspections, risk assessments etc. as appropriate
- Report all accidents (personal injury and vehicle), ill health, incidents of abusive and violent behaviour, near misses, hazardous situations, general health and safety concerns, defective equipment or premises
- Attend all training relevant to their role

Pupils

Pupils, allowing for their age and aptitude, are expected to be coached and supervised where appropriate, in the following:

- Taking personal responsibility for the health and safety of themselves and others
- Observe all the health and safety requirements of the school/trust and in particular the instructions of staff / supervision
- Use and not wilfully misuse, neglect or interfere with things provided for their health and safety

© 2026 Norfolk County Council

- The school should also seek to engage with carers or parents as appropriate to support safe and healthy behaviours.

Specific arrangements for health and safety

The following arrangements have been adopted to ensure compliance with the Local Academy Committee/Trust Board's - Our Commitments.

The following areas of activity should have named people allocated for that task following guidance and templates available on InfoSpace.

Lead Governor for Health and Safety & Allergy Safety

The lead governor with responsibility for scrutiny of health and safety performance is Ian Osley.

The named governor for allergy safety is: Ian Osley.

Allergy Safety Lead

Named Allergy Lead: Emma Webb (Deputy Headteacher)

The named Allergy Lead is responsible for:

- coordinating implementation of the school's Allergy Safety Policy;
- maintaining and reviewing the school's Allergy Register;
- ensuring Individual Healthcare Plans are in place and reviewed for pupils requiring allergy management;
- ensuring relevant staff can access allergy information needed to support pupils safely;
- coordinating allergy incident and near-miss reviews;
- reporting significant issues, trends and assurance information to the Headteacher and Local Academy Committee/Trust Board.

Adrenaline Auto-Injector Coordinators

AAI Coordinator 1: Viv Jones (Healthcare Practitioner)

AAI Coordinator 2: Emma Webb (Deputy Head)

At least two members of staff should be designated to manage:

- supply of spare adrenaline auto-injectors;
- storage arrangements;
- monthly inspections;
- expiry monitoring;
- ordering replacement devices;
- maintaining inspection and administration records.

© 2026 Norfolk County Council

Incident Management

Incident management will be the overall responsibility of: Emma Webb (Deputy Headteacher)

Allergy-related incidents, suspected anaphylaxis, administration of an adrenaline auto-injector and significant allergy-related near misses will be reviewed as part of the school's incident management arrangements.

First aid risk assessment and management of provision is the responsibility of: Emma Webb (Deputy Headteacher)

Named first aid staff, Allergy Leads and AAI Coordinators will receive instruction regarding the location, inspection and emergency use arrangements for spare AAIs.

Risk Assessment

Risk Assessment of work-related activities, site safety, infection control and security will be coordinated by Mark Noble (Premises Manager). He will be responsible for ensuring the actions required are implemented.

Fire Safety

A fire plan, fire risk assessment, and associated evacuation plans will be carried out and developed for the premises (including fire drills) by Mark Noble (Premises Manager).

Manual Handling

Manual handling risk assessments will be carried out by Mark Noble (Premises Manager).

Computers and Workstations

Computer and workstation risk assessments (Display Screen Equipment- DSE) will be carried out by Mark Noble (Premises Manager) with input from Jo Kiel (HR Administrator) when onboarding new members of staff.

Home Working

Assessment of the risks of staff working from home will be carried out by Jaime Mallett (Headteacher).

© 2026 Norfolk County Council

Hazardous Substances

Mark Noble (Premises Manager) and Julia Furse (Senior Science Technician) will identify hazardous substances, and ensure that the appropriate assessments are available and implemented

Behaviour Management

Assessment of the risks of abusive / violent behaviour (voluntary / involuntary) to staff / others will be carried out by Emma Webb (Deputy Headteacher). This assessment cross-refers to the school's behaviour policy and should consider behaviour related risks.

Lone Working

Assessment of the risks of lone working staff will be carried out by Mark Noble (Premises Manager).

Risk Assessment of Curriculum Activities

Risk Assessments for curriculum activities will be carried out by relevant Heads of Department.

School Caretaking and Site Management

Assessment of the risks to Caretakers, contractors (including Construction related activities - CDM) and others working at the site will be assessed by Mark Noble (Premises Manager). This should include consideration of all activities including working at height, potential 'hot works' and maintenance activities.

Driving for Work

Assessment of the risks of driving for business will be carried out by Mark Noble (Premises Manager).

Cash Handling

Assessment of the risks of handling cash will be carried out by the Trust's finance team, led by Katy Maliphant (Chief Financial Officer).

© 2026 Norfolk County Council

Health and Well-being

Assessment of the risks relating to mental health, new and expectant mothers, infection control, individual health factors and well-being will be carried out by Mark Noble (Premises Manager) and/or Jaime Mallett (Headteacher), or by utilising support available through the Health, Safety and Well-being team.

Consultation with Employees

Union appointed safety representatives are Joe Scahill and Carl Barron.

Consultation with employees not represented by a union is provided through Tracy Barker (Head's PA).

Safe Plant and Equipment

Plant and equipment* will be inspected, maintained and, where necessary, tested by appropriate contractors appointed by the Local Academy Committee/Trust.

*Plant and equipment likely to need formal inspection and maintenance in a school premises includes:

- Hot and cold-water services (legionella)
- Condition monitoring of identified asbestos containing materials
- Boilers and heating plant
- Fire safety equipment
- Electrical installations
- Portable electrical equipment (PAT testing)
- Catering equipment (appliances)
- Gas installations and appliances
- Lifting equipment
- Local exhaust ventilation (LEV) equipment
- Outdoor play equipment
- Door closers / seals / Glazing and finger guards
- PE equipment
- Technology workshop equipment
- Ventilation and air extraction systems
- Management of Radiation Sources

Routine local testing of emergency lighting, fire alarm call points, flushing of infrequently used water outlets and monthly water temperature monitoring will be carried out by Mark Noble (Premises Manager).

© 2026 Norfolk County Council

Any problems or defects relating to plant and equipment should be reported to Mark Noble (Premises Manager).

Information, Instruction and Training

Information and Advice

A Health and Safety Law Poster is displayed or the equivalent leaflet is available at each school. Health and safety advice is available from the headteacher/health and safety coordinator or by contacting NCC HSW team at healthandsafety@norfolk.gov.uk

Induction

Health and safety induction will be provided for all new employees and for work experience placement students through an online platform called iAMCompliant. This will be coordinated by Jo Kiel (HR Administrator).

Health and Safety Training

The Health, Safety and Well-being information on InfoSpace provides a framework for compliance. Anyone involved in the management of health, safety and well-being is required to be competent in their role. The law recognises that knowledge, skills and experience are very important in meeting competence requirements. In most cases, however, training will also be required to complete a person's competence, particularly in relation to following local Norfolk County Council procedures and practices.

Allergy Safety Training

Allergy safety training will be provided for all staff, including temporary and supply staff where appropriate to their role. Training will ensure staff understand:

- common allergy risks and triggers;
- recognition of allergic reactions and anaphylaxis;
- emergency procedures;
- how to summon assistance;
- location of emergency anaphylaxis kits and spare adrenaline auto-injectors;
- use of adrenaline auto-injectors;
- the school's Allergy Safety Policy, Allergy Register and Individual Healthcare Plan arrangements;
- how to report allergy incidents and near misses.

Training may be completed through a combination of e-learning, video-based learning, local briefing and practical familiarisation. Staff do not need to complete training at the same time, but

© 2026 Norfolk County Council

the school must be able to evidence that all relevant staff have completed the required training and that arrangements are in place for new starters, temporary staff and supply staff.

In addition to individual knowledge, skills and experience, the training below is recommended to achieve competence in the role, as stated in this policy.

- Health and Safety Leadership for Headteachers and Managers
- Safe Management of Premises – General
- Safe Management of Premises – Asbestos
- Safe Management of Premises – Fire
- Risk Assessment – essential risk management
- Health and Safety Awareness for Governors (e-learning, via GovernorHub)

All training courses will need to be attended once every three years unless the relevant code of practice states otherwise.

Curriculum/subject specific health and safety training

Secondary Science

- CLEAPSS Health and Safety Management for Heads of Science
- CLEAPSS Radiation Protection Supervisor
- CLEAPSS Health and Safety for Science Technicians

Secondary Design & Technology

- CLEAPSS Health and Safety Management for Heads of D&T
- CLEAPSS The Safe and Effective D&T Technician
- Level 2 Award in Food Safety

Occupational Risks

- First Aid at Work and Emergency First Aid at Work
- Paediatric First Aid (for schools with children up to age 5)
- Moving and Handling People (provided by Norfolk Community Health and Care occupational therapy team)
- NCC Musculoskeletal Injuries Rehabilitation Service Referral training (provided by IPRS)
- Personal safety (tutor led)
- Norfolk Steps Step on or Step Up training

© 2026 Norfolk County Council

Caretaking/Site Management

Where relevant (subject to identified roles / responsibilities):

- Safe Management of Premises – General
- Safe Management of Premises – Asbestos
- Safe Management of Premises – Fire
- Risk Assessment – essential risk management
- Basic Tree Survey and Inspection (LANTRA): coordinated by Mark Noble (Premises Manager)

Health and Well-being

- Well-being Facilitator (or equivalent): Tracy Barker (Head's PA)

Minibuses

- Norfolk County Council Minibus driver assessment: Mark Noble (Premises Manager)

NCC Health and Safety e-Learning Courses

The courses below can be found via Norfolk Services for Schools. Current e-Learning courses available:

- Health and Safety and Fire Prevention Awareness
- Display Screen Equipment
- Supporting Evac Chair Users with Dignity
- Personal Safety
- Driving Safely for Work
- Understanding Mental Health
- Allergy awareness training / anaphylaxis awareness e-learning (in development 07/26)

Training Records and Training Needs Identification

Health and safety training records are held by: Mark Noble (Premises Manager)

Training needs will be identified, arranged and monitored by: Mark Noble (Premises Manager) and Samantha Gerrard (Assistant Head i/c professional development).

© 2026 Norfolk County Council

Allergy safety training records, including completion of e-learning, local briefings and AAI familiarisation, will be held and monitored by: Emma Webb (Deputy Headteacher)

Reporting and Investigation

All accidents, near misses and cases of work-related ill health involving employees (or non-employees where the injury is potentially caused by a deficiency in activity, equipment or premises) must be recorded on iAM Compliant.

Allergic reactions requiring first aid intervention should be recorded through the school's normal first aid recording arrangements. Any suspected anaphylaxis, administration of a prescribed or spare adrenaline auto-injector, significant allergy-related near miss, or incident where harm may have arisen from school activity, equipment, premises or arrangements must be reviewed and reported in accordance with the Trust incident reporting requirements.

Significant allergy incidents and near misses will be reviewed by the Allergy Lead and findings used to inform training, policy review, Individual Healthcare Plans and local risk assessments.

Minor injuries to non-employees where first aid (only) is given will be reported on the First Aid Record of Treatment form (or equivalent).

Mark Noble (Premises Manager) will investigate all serious incidents and act on findings to prevent a recurrence.

First Aid

Please see the school's First Aid policy (available at Neatherd.org/Policies/)

Supporting Pupils with Medical Conditions

Prescribed medication will be administered to pupils following relevant Norfolk Schools, NCC and Department for Education guidance.

The person responsible for the management of administration of medicines to pupils is: Emma Webb (Deputy Headteacher).

Allergy safety arrangements will be managed in accordance with:

- the school's Allergy Safety Policy;
- the NCC Allergy Safety and AAIs in Schools guidance;
- the NCC AAI Stocking Guidance and Checklist;
- the NCC Model Allergy Register;
- the Department for Education Individual Healthcare Plan template.

The school will ensure that pupils requiring active allergy management have an appropriate Individual Healthcare Plan, that the Allergy Register is maintained and that relevant staff are aware of the arrangements needed to support pupils safely.

© 2026 Norfolk County Council

Selection and Management of Contractors

Contractors and construction projects are selected, approved and managed by Mark Noble (Premises Manager) and/or Jay Spalding (Trust Estates Manager).

Management of Asbestos

The asbestos register, site plans and asbestos management plan are held at: Reception, the Site Office and the Headteacher's Office, and managed by: Mark Noble (Premises Manager).

Educational Visits

Educational visits, including residential visits and any school-led adventure activities, will be organised following guidance produced by the Outdoor Education Advisers Panel and adopted by Norfolk County Council.

Occupational Health

Access to occupational health services is via Enrich Learning Trust's appointed occupational health advisor.

Emergency Procedures – Fire and Evacuation

Escape routes are checked Mark Noble (Premises Manager) on a weekly basis.

Fire extinguishers are maintained and checked on a monthly basis by the Assistant Site Managers and on an annual basis by AMR.

Alarms are tested on a weekly basis by Mark Noble (Premises Manager).

Emergency evacuation procedures will be tested once every term.

Monitoring

Routine inspections of the premises to ensure safe premises and working practices are followed will be carried out by Mark Noble (Premises Manager). A termly inspection is undertaken by the Premises Manager, the Headteacher and the nominated governor for health and safety.

Inspections of individual departments and specific work areas will be carried out by relevant Heads of Department or nominated staff.

The named Allergy Lead will provide annual assurance to the Headteacher and Local Academy Committee regarding implementation of the school's Allergy Safety Policy, completion of training, review of Individual Healthcare Plans, maintenance of the Allergy Register and management of spare AAI arrangements.

© 2026 Norfolk County Council

© 2026 Norfolk County Council

Review of Policy

This document will be reviewed at least annually.

We recognise that overall responsibility for health and safety lies with all levels of management having direct responsibility for activities and staff under their control. For these arrangements to be effective, employees throughout the school must play their part in creating and sustaining a positive health and safety culture and must take responsibility for their own well-being with the encouragement and support of their managers.
